Celebrating 2 years of employment!

"Dawn helped me and brought me to interviews when I didn't have a car. She keeps in contact with me and updates me on how I am doing."

**Your mental health
and employment team will help
you succeed!**

This program offers you:

- **Rapid job search**— for motivated and ready to work individuals.
- **On-going benefit planning and guidance.**
- **Team approach**— your mental health and employment support working together.
- **Employment Specialists**—
 - ⇒ who will help you evaluate your skills and interests, and find work options that “fit” you.
 - ⇒ who know a lot about the community and can help you research jobs, contact employers, get you ready to interview, and help you get and keep the job.
 - ⇒ who can help you change jobs, create a long term career plan, or seek promotions.
- **Confidentiality**— You can choose the level of involvement your Employment Specialist has with your employer or perspective employers.
