# Are you ready to work?

**WCI + YOU = Job\$, New Friends *and More!***

## Things to think about:

- What do you like to do? What don't you like to do?
- When can you work? Morning, afternoon or evening?
- Do you want to work inside or outside?
- Do you want a physical job, desk job or some other type of work.
- What teachers, church friends, or community leaders could vouch for you being a good, hard worker? (you'll need 3 references)
- Have you held any part time or volunteer positions— what, when, and what did you do?
- Can you work 4 hours or 8 hours with 1 break?
- What skills do you have? Can you read, write, type, use machines, organize, clean well, add/subtract numbers, or etc.?
- What positive things would you bring to a business? Are you reliable, hardworking, willing to learn, energetic? What 3 words could you use to positively describe your personality.
- Have you worked on a team before? What / where?
- Have you worked in a job where your boss was not near you?
- Have you learned to handle frustration, boredom, and changes?
- Have you come to grips with the fact that we don't always want to get up and go to work, but adults work... and we *all* have to go to work despite being tired, not wanting to, or conflicts with peers/work/boss.

**If you're ready— LET'S GO!**
